|            | 1300 x 308 cm                                                                       | 0 mq                                                                                | 0 cm                                                                                | 1070 x 124 x 0 cm                                                                     | 2                                                                                     |

### Characteristics

**5** anni  
**GARANZIA**

### Age range

From 14 years

### Materials

Made of high density polyethylene.

### Plan

### Picture

### Manufacturer

Pozza 1865 S.R.L.

### Country of manufacturing

ITALY

## Components list

**SW-S29 - Tube-shaped slide h 290 cm  
diameter 80 cm:**

NR 1 Polyethylene slide certified  
according to the existing rules; starting  
platform height 290 cm

**C2 - Square platform, under tower**

NR 1 Made of non slip material.
