## BLOCCO CLIMBING DOPPIO

| Dimensions |  |  |  |  |  |
|------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
|            | Safety area                                                                         | Impact area                                                                         | Falling height HIC                                                                  | Physical footprint                                                                    | Number of users                                                                       |
|            | 930 x 550 cm                                                                        | 35 mq                                                                               | 180 cm                                                                              | 540 x 150 x 190 cm                                                                    | 8                                                                                     |

### Characteristics

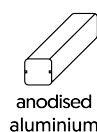

**5 anni**  
**GARANZIA**

### Age range

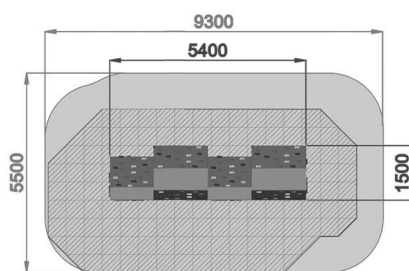

Fino a 12 anni

### Materials

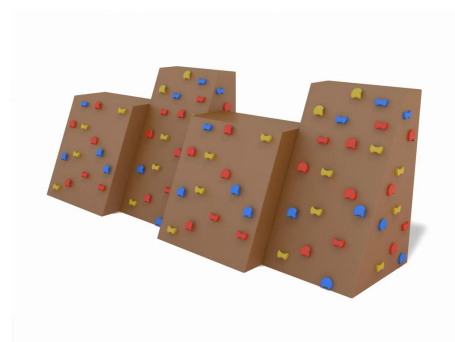

Made of EN EV6060 anodized aluminium 9x9cm custom mold with rounded edges, minimum thickness 2,7mm

### Plan

### Picture

### Manufacturer

Pozza 1865 S.R.L.

### Country of manufacturing

ITALY

Falling Area / Area di Caduta 49mq  
Impact Area / Area di Impatto 35mq  
Maximum falling height / Altezza Max di Caduta 1.80m

Falling height / Altezza di caduta: 1800 mm
