|            | Safety area                                                                         | Impact area                                                                         | Falling height HIC                                                                  | Physical footprint                                                                    | Number of users                                                                       |
|            | 0,6 x 3,7 m                                                                         | 0 mq                                                                                | 60 cm                                                                               | 0,9 x 0,6 x 0,6 m                                                                     | 1                                                                                     |

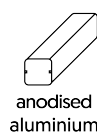

### Characteristics

### Age range

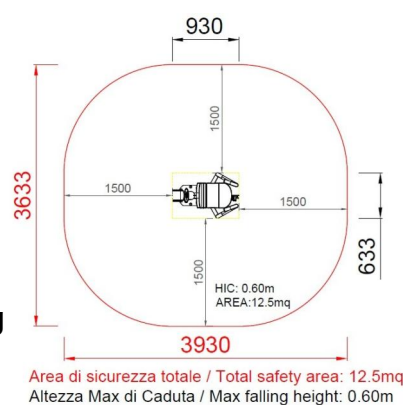

Da 14 anni

### Materials

Made of EN EV6060 anodized aluminum 9x9cm custom mold with rounded edges, minimum thickness 2,7mm

### Plan

### Picture

### Manufacturer

Pozza 1865 S.R.L.

### Country of manufacturing

ITALY
